

PROBETA-WS
— *Feel Cool* —

COMPOSITION :

Betaine Hcl, Electrolytes, Vitamin-C, Organic Chromium, Anti-stress & Heat regulating factors.

Managing stress is a real economic issue for the poultry sector. Stress impacts the welfare of birds, affects feed consumption and digestive efficiency. Growth performance, Poultry health, Egg and Meat quality are impaired.

To support poultry birds during stressful conditions, Probeta-WS has been developed. It acts on the consequences of all kind of stress, especially heat stress. It strengthens the natural systems involved in evacuating heat, offsets electrolyte and stimulates ingestion.

Probeta-WS, as a supplement to birds, has greater potential to improve growth performance, intestinal health, immune system response and alleviate adverse effect of environmental stress.

BENEFITS :

1. Reduces electrolyte imbalance during heat stress.
2. Enhances Immune response and protects birds from pathogenic invades.
3. Relieve stress due to Vaccination, Deworming, De-beaking, Weather changes, Changes in feed, transportation etc.,.
4. Ensures better body weight gain and FCR by stimulating metabolism.
5. Helps animals to overcome the negative effects on performance caused by stress.
6. Better and uniform growth , maintain production and prevent fluctuation in production during stress conditions.

DOSAGE:

Broiler/Layer/Breeder : **10-20 ml/100 birds**

During heat stress

& other stressful Conditions : **1 ml/Litre of water**

Or As advised by the Veterinarian.

PRESENTATION: 1 Litre, 5 Litre.

(An ISO 9001:2015 Certified Company)

GMP & HACCP Certified

Manufactured and Marketed By:

ZENMAK NUTRIGENCIES AND HEALTH PVT. LTD.

Regd. Off: No. F2, Sand Stone Apartments,
14/5, Main Road Velacherry, Chennai - 600 042.
