

ZenMix-AD₃EC

COMPOSITION:

Each ml contains:

Vitamin A : 50,000 IU

Vitamin D₃ : 5,000 IU

Vitamin E : 30 IU

Vitamin C : 100 mg

Vitamin A

Essential for maintaining epithelial tissue integrity, ensuring healthy mucous membranes. Enhances immune response by supporting the development of T-cells and antibody production, helping birds fight infections.

Vitamin D₃

Regulates the metabolism of calcium and phosphorus, promoting strong bones and eggshell formation in layers. Prevents skeletal deformities and improves leg strength in broilers and growing birds.

Vitamin E

Protects cells from oxidative damage, enhancing overall health and productivity. Supports fertility and hatchability by improving sperm quality in males and egg production in females.

Vitamin C

Possess potent anti-stress property. Acts as an Immunity Booster by developing resistance against infections.

INDICATIONS:

Heat stress, Debeaking stress, Production stress, Transportation stress, Handling stress, Vaccination stress, Deworming stress, Antibiotic therapy stress and Vitamin deficiency etc.,

BENEFITS:

1. Prevents and relieves all types of stress conditions effectively thereby, improving production performance.
2. Helps to Develop enhanced body resistance against infections.
3. Ensures optimum calcium and phosphorus levels in the serum.

Presentation: 1 Litre.

DOSAGE:

Chicks, Broilers:

4 to 5 ml / 100 chicks for 5 to 7 days.

Layer / Breeders:

10 ml / 100 birds for 5 to 7 days.

Or

as recommended by the Veterinarian / Nutritionist.
